Re: Proposed annexation to the
City of Industry, Annexation
No. 50, Revised

Dear Miss Ward:

At the meeting held August 12, 1959, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of July 30, 1959, of the proposed annexation of territory to the City of Industry.

This proposal is a revision of "Annexation No. 50" as approved by the Commission on July 15, 1959.

The boundaries submitted conform with lines of assessment except for an arbitrary cut along the southwesterly line of this annexation. No island or corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

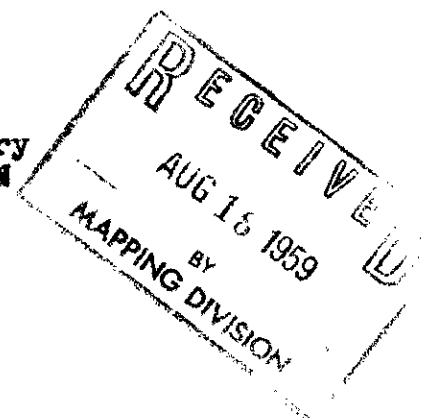

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

GORDON T. NESVIG, Secretary
